Agenda Item 6: Inputs for 2019-2021 AFCAC triennium Activities

14:00 – 15:00 SESSION 1: SUSTAINABLE DEVELOPMENT OF AIR TRANSPORT

THEME: Single African Air Transport Market (SAATM)-PROGRESS AND SUSTAINABILITY

This Session will address challenges in the establishment of the SAATM at Continental level. In this regard, various Stakeholders will examine the reasons, fears, concerns and the reluctance of some States to join the SAATM. The Session will also review the readiness of States party to SAATM to optimize the benefits. Furthermore, the issues related to the full operationalization of the Executing Agency of YD and its critical roles to sustain the momentum will be examined.

This Session will also encourage discussion on sustainability of air transport including aeronautical charges, taxation, infrastructure and system developments, environment, etc.

15:00 – 16:00 SESSION 2: AVIATION SAFETY AND AIR NAVIGATION

THEME: PROGRESS, CHALLENGES AND WAY FORWARD for the implementation of APIRG, RASG-AFI and DGCA Decisions

Stakeholders will be invited to present the status of the various regional safety initiatives aimed at enhancing aviation safety and improving the provision of air navigation services on the Continent. In this regard, the Session will reinforce endeavors in addressing challenges to expedite the implementation of the Revised Abuja Safety Targets, APIRG and RASG-AFI's Conclusions, etc. To facilitate the monitoring and reporting of the status of the implementation of the regional safety targets, issues on collection of data will be analyzed taking into account new tools and methodologies.

16:00 – 16:30 TEA/COFFEE BREAK

16:30 – 17:30 SESSION 3: AVIATION SECURITY AND FACILITATION

THEME: PROGRESS, CHALLENGES AND WAY FORWARD on the implementation of Windhoek Targets and DGCA's Decisions and Regional Initiatives for enhancement of Aviation security and facilitation in Africa.

Stakeholders will be invited to present the status of the implementation of various regional security and facilitation initiatives aimed at enhancing aviation security and facilitation on the Continent. The Session will reinforce endeavors in addressing challenges to expedite implementation of the Windhoek Security & Facilitation Targets. The discussion will highlight the current and future projects of the AFI SECFAL Plan including issues related to the need for harmonization and collaboration at International, Continental and State levels.

The Session will also take this opportunity to examine critically the slow rate of signing and ratification of aviation security related to International Conventions and Protocols by AFCAC Member States of ICAO.

17:30 – 18:30 SESSION 4: HUMAN RESOURCE OPTIMIZATION IN AFRICA

THEME: CHALLENGES IN HUMAN RESOURCE OPTIMIZATION IN AFRICA (Women in Aviation; Next Generation of Aviation Professionals, cooperative schemes for safety & security, HRDF, ATO, etc.)

The objective of this Session is to discuss practical solutions to address challenges of Human Resource in the various aviation fields. To this end, Stakeholders will be invited to provide their perspectives on how to enhance optimization of available resources, including the current Cooperative Schemes.

Furthermore, issues arising from the demographic changes and Next Generation of Aviation Professional will be examined.

Among the expected outcomes of this Session are: Strategies for an optimal use of cooperative mechanisms by States and Partners; Resolutions on the adoption of Action Plan for gender equality in Aviation; Strategies to attract younger generation to the aviation sector, Strategies for the improvement of the utilization of the HRDF, etc.
